

The Four Parts of a Paragraph

A. Read the paragraph below and answer the questions.

1. Dogs make better companions than cats. 2. The main reason why many people prefer dogs to cats is their loyalty. 3. They show this by being obedient and showing affection to their masters. 4. Cats, on the other hand, cannot be trained and treat their owners with indifference. 5. Secondly, dogs are more fun to spend time with. You can take your dog running, swimming at the beach or even play frisbee. 7. Conversely, cats like to do their own thing and are not inclined to join in play such as chasing a ball. 8. Finally, dogs help make your home more secure. 9. If an unknown person tries to enter your home or property, a dog will alert you with their bark or even attack the intruder. 10. A cat, on the other hand, will stay silent and let anyone enter your home. 11. To sum up, dogs are the best choice as a pet because they are loyal, fun and provide security.
